

Chapter 6

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 6: Communication and Collaboration Skills Objective: Reinforce key concepts from Chapter 6 through reflection, application, and short activities.

Part 1: Quick Recall (Fill in the Blanks)

Complete the sentences below using key ideas from Chapter 6.

- A _____ workspace is fully online, while a _____ workspace combines online and in-person work.
- In tech projects, teamwork is important because it combines different _____ like coding, designing, and testing.
- When presenting tech ideas, you should simplify _____ to make your idea easy for everyone to understand.
- Networking in the digital age often happens on platforms like _____ or _____ to build connections.
- Cross-cultural communication helps avoid _____ due to differences in traditions or communication styles.

Part 2: Match the Skill to the Action

Match each skill from Chapter 6 (left column) to the correct practical action (right column).

Skill	Practical Action
• 1. Effective Virtual Communication	• A. Use Trello to assign tasks for a group app project.
• 2. Teamwork in Tech Projects	• B. Ask a teammate about their cultural holiday before scheduling a meeting.
• 3. Public Speaking for Tech Ideas	• C. Start a presentation with a story to hook the audience.
• 4. Networking in the Digital Age	• D. Send a clear message like “Let’s meet at 5 PM” on Zoom.
• 5. Cross-Cultural Communication	• E. Follow a tech leader on Twitter and comment on their post.

Skill

Practical Action

- 1. Effective Virtual Communication
 - A. Use Trello to assign tasks for a group app project.
- 2. Teamwork in Tech Projects
 - B. Ask a teammate about their cultural holiday before scheduling a meeting.
- 3. Public Speaking for Tech Ideas
 - C. Start a presentation with a story to hook the audience.
- 4. Networking in the Digital Age
 - D. Send a clear message like "Let's meet at 5 PM" on Zoom.
- 5. Cross-Cultural Communication
 - E. Follow a tech leader on Twitter and comment on their post.

Answers: 1- , 2- , 3- , 4- , 5-____

Part 3: Short Answer Reflection

Answer the following questions in 2-3 sentences each. Think about how these skills apply to your life.

- **Virtual Communication:** Describe a time you had a misunderstanding in an online chat or call (like for a school project). How could you use a tip from Chapter 6 (e.g., being clear or checking in) to avoid it next time?
- **Public Speaking:** What is one tech idea or topic you'd like to present to your class? How would you make it engaging for your audience?
- **Cross-Cultural Skills:** Have you ever worked or talked with someone from a different background? What's one thing you learned or would like to learn about their culture?

Part 4: Mini Activity – "Skill Practice Plan"

Pick **one skill** from Chapter 6 that you want to improve (e.g., virtual communication, teamwork, public speaking, networking, or cross-cultural skills). Answer the following:

- **Chosen Skill:** _____
- **Why I Want to Improve It:** (e.g., I'm shy on video calls, or I want to work better in groups)
- **One Small Action I'll Take This Week:** (e.g., Send a clear message in a group chat, or follow a tech account online)
- **How I'll Know I've Improved:** (e.g., My team understands my ideas, or I get a reply to my comment)

Part 5: Group Discussion Prompt (Optional)

If working in a class or group, discuss with peers:

- What's the hardest part about working in a team on a tech or school project? Share a story if you have one.
- Suggest one idea from Chapter 6 (like using a tool or checking in often) that could help solve this problem.
