Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 8: Entrepreneurship and Innovation with AI Purpose: Reinforce key concepts from Chapter 8 through reflective questions and practical activities to encourage students to explore tech entrepreneurship and AI innovation.

Part 1: Understanding Tech Entrepreneurship

Objective: Grasp the basics of tech entrepreneurship and its relevance.

- In 1 sentence, define tech entrepreneurship based on Chapter 8.
- List 2 traits of a tech entrepreneur that you think you already have or want to develop.
 -
 -

Part 2: Identifying Problems and AI Solutions

Objective: Practice spotting problems and brainstorming AI-based solutions.

- Write down 1 problem or frustration you notice at school or home (e.g., “forgetting homework deadlines”).
 - Problem: _____
- Suggest 1 simple AI solution for this problem (e.g., “an AI reminder app”).
 - Solution: _____
- Who would benefit from this solution (e.g., “students like me”)?
 - Target Group: _____

Part 3: Starting a Tech Project

Objective: Apply the basics of launching a tech idea with an MVP.

- Pick an idea from Part 2 or create a new one. What’s a super-simple MVP (Minimum Viable Product) you could make to test it (e.g., “a Google Form survey”)?
 - MVP Idea: _____
- Name 1 free tool you could use to create this MVP (e.g., “Canva for mockups”).
 - Tool: _____

Part 4: Funding and Resources

Objective: Explore accessible resources for young innovators.

- List 1 funding opportunity or competition for teens mentioned in Chapter 8 (or search online for one).

- Opportunity: _____
- Name 1 free learning or design tool you can use to start your project (e.g., "FreeCodeCamp").
 - Tool: _____

Part 5: Inspiration from Teen Innovators

Objective: Reflect on real stories to build motivation.

- Choose 1 teen innovator from Chapter 8 (e.g., Tanmay Bakshi). What's 1 thing about their story that inspires you?
- What's 1 small step you can take this week to follow in their footsteps (e.g., "Watch a coding tutorial")?
 - Step: _____

Part 6: Quick Self-Assessment
