

Chapter 2

MCQs

Question 1

What is the main difference between a fixed mindset and a growth mindset?

- ☐ A) A fixed mindset believes effort is unnecessary, while a growth mindset ignores challenges.
- ☒ B) A fixed mindset sees abilities as unchangeable, while a growth mindset believes abilities can develop with effort.
- ☐ C) A fixed mindset focuses on learning, while a growth mindset avoids mistakes.
- ☐ D) A fixed mindset encourages taking risks, while a growth mindset sticks to what's easy.

Correct Answer: B)

A fixed mindset sees abilities as unchangeable, while a growth mindset believes abilities can develop with effort.

Question 2

Why does a growth mindset matter for high school students?

- ☐ A) It guarantees perfect grades without studying.
- ☐ B) It helps students avoid all challenges and obstacles.
- ☒ C) It encourages persistence and resilience in facing academic and personal challenges.
- ☐ D) It ensures students never make mistakes.

Correct Answer: C)

It encourages persistence and resilience in facing academic and personal challenges.

Question 3

How can obstacles be viewed through a growth mindset?

- ☐ A) As proof that you're not good enough to succeed.
- ☐ B) As annoying problems that should be ignored.
- ☐ C) As chances to learn new skills or strategies.
- ☐ D) As reasons to give up on your goals.

Correct Answer: C)

As chances to learn new skills or strategies.

Question 4

What is a practical way to turn mistakes into stepping stones, according to the chapter?

- ☐ A) Pretend the mistake never happened and move on.
- ☐ B) Blame someone else for the mistake to avoid feeling bad.
- ☐ C) Break down what went wrong and brainstorm how to improve next time.
- ☐ D) Avoid trying anything new to prevent future mistakes.

Correct Answer: C)

Break down what went wrong and brainstorm how to improve next time.

Question 5

Which of the following is an example of a daily growth mindset habit?

- ☐ A) Telling yourself you're not good at something and giving up.
- ☐ B) Starting your day with a positive mantra like, "I'm ready to learn something new today."
- ☐ C) Comparing yourself to others and feeling discouraged.
- ☐ D) Focusing only on results and ignoring the effort you put in.

Correct Answer: B)

Starting your day with a positive mantra like, "I'm ready to learn something new today."
