Worksheet for Chapter 7: Thriving in a Dynamic World

Instructions: Complete the following sections individually or in small groups. Use the content from Chapter 7 as a guide. Be honest and creative in your responses. This worksheet can be used for personal reflection, class discussion, or as a graded assignment. Estimated completion time: 45-60 minutes.

Part 1: Exploring Trends (15 minutes)

Purpose: Understand how technology, climate, and social shifts impact your life and how you can engage with them.

- **Trend Identification (5 minutes)** Choose one trend from Chapter 7 (Technology, Climate, or Social Shifts) that feels most relevant to you. Write 2-3 sentences explaining why you picked it and how you see it affecting your daily life or future. **Example:** I chose Technology because I'm always on my phone, and apps like TikTok shape how I learn trends. It's cool, but I worry about spending too much time online. **Your Response:**
- **Action Brainstorm (10 minutes)** Based on the trend you chose, brainstorm one small action you could take to engage with it positively. Describe what you'd do and what impact you hope it would have. **Example:** For Technology, I could learn to use a free editing app to make videos for a school project. I hope it helps me stand out and maybe even start a hobby.
- **Your Response: Action:** _____

Impact: _____

Part 2: Curiosity Challenge (10 minutes)

Purpose: Build the habit of curiosity to adapt to new ideas and environments. 3. **Curiosity Spark (5 minutes)** Write down one question or topic you're curious about related to the world around you (it can be anything from "How do electric cars work?" to "Why do trends go viral?"). Why does this interest you? **Your Response:**

Question/Topic: _____ **Why It Interests Me:**

- **Quick Research Plan (5 minutes)** How would you explore this curiosity in just 10-15 minutes? List one or two specific steps (e.g., "Search a YouTube tutorial" or "Ask a family member"). **Your Response: Step**
1: _____
2: _____

Part 3: Flexible Goals Practice (15 minutes)

Purpose: Apply the concept of flexible goal-setting to stay motivated despite unknowns. 5. **Goal Setting with Flexibility (10 minutes)** Set a small, personal goal for the next month using the 4-Step Power Plan from Chapter 7. Fill in the template below.

- **Anchor to Your 'Why':** What's the personal reason behind this goal?
- **Chunk It with Wiggle Room:** Break it into one or two small steps with flexibility.
- **Build 'Pivot Points':** What's a backup plan if something goes wrong?
- **Check-In and Tweak:** How will you review progress (e.g., weekly)? **Example:**
- **Goal & Why:** Improve my grades in math because I want to feel confident in class.
- **Chunk It:** Study 15 minutes a day, 4 days a week (or 2 if I'm busy).
- **Pivot Point:** If I can't study alone, join a study group or watch online tutorials.
- **Check-In:** Reflect every Sunday on what worked or didn't. **Your Response:**
- **Goal & Why:** _____
- **Chunk It:** _____
- **Pivot Point:** _____
- **Check-In:** _____
- **Obstacle Prediction (5 minutes)** Imagine one obstacle that might block your goal. How would you tweak your plan to keep moving forward? **Your Response:**
Obstacle: _____
Tweak: _____

Part 4: Reflection and Synthesis (10 minutes)

Purpose: Connect the chapter's concepts to your personal growth and future. 7. **Key Takeaway (5 minutes)**

What's the most important lesson or idea you've learned from Chapter 7 about thriving in a dynamic world? How will you use it in the next week? **Your Response: Lesson/Idea:**

How I'll Use It: _____

- **Vision Sketch (5 minutes)** Draw or describe a quick "mini vision board" in the space below. Include one image or word for a trend you'll engage with, a curiosity you'll explore, and a goal you'll chase. **Your Response: Trend:** _____
Curiosity: _____
Goal: _____
