Part 4: Scenario-Based Discussion (Optional Group Activity)

Read the following short scenario and discuss the questions below with a partner or small group. Write down your key points if space allows.

Scenario: You are a 19-year-old student studying in Ontario. You’ve rented an apartment near campus, and your landlord enters your unit without any prior notice while you’re in class. Later that week, you’re invited to a party where alcohol is being served.

Discussion Questions:

- Was the landlord’s entry into your apartment legal? Why or why not?
- Are you of legal age to consume alcohol at the party in Ontario? What should you consider before deciding to drink?
- If you see someone at the party who seems uncomfortable with another person’s advances, how could you use bystander intervention to help?
