

Chapter 8

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet Chapter 8: "My Canadian Health & Wellness Starter Kit"

Objective: It focuses on quick, creative tasks to reinforce key concepts from Chapter 8 without lengthy writing. Perfect for individual or group work during orientation!

Estimated Time: 20-30 minutes **Materials Needed:** Pen/pencil, colored markers (optional), printed worksheet or blank paper to draw on.

Part 1: Health & Insurance Quick Check (5 minutes)

Task: Match the health resource to its purpose by drawing a line between the two columns. This helps you recall how to access care in Canada.

Resource	Purpose
Provincial Health Card	Covers basic medical services after a waiting period
University Insurance (e.g., UHIP)	Mandatory plan for international students for immediate coverage
Walk-in Clinic	Quick care for minor issues without an appointment
Telehealth Line (e.g., 8-1-1)	Free nurse advice over the phone for triage

Resource

Purpose

Provincial Health Card

Covers basic medical services after a waiting period

University Insurance (e.g., UHIP)

Mandatory plan for international students for immediate coverage

Walk-in Clinic

Quick care for minor issues without an appointment

Telehealth Line (e.g., 8-1-1)

Free nurse advice over the phone for triage

Bonus: Circle the resource you'll likely use first upon arrival and star (*) the one you need to apply for after landing.

Part 2: Winter Gear Sketch (5 minutes)

Task: Draw or list 3 essential winter clothing items for surviving a Canadian winter (e.g., insulated coat, waterproof boots, toque). Label each with one reason why it's important (e.g., "prevents frostbite"). Use stick figures or simple shapes if you're not an artist!

My Winter Gear:

- _____ (Reason: _____)
- _____ (Reason: _____)
- _____ (Reason: _____)

Bonus: Add a small snowflake or Canadian maple leaf doodle next to your favorite item for fun!

Part 3: Mental Health Support Map (5 minutes)

Task: Fill in this mini "support map" with one resource for each category to help you during tough times. Use your university's website or Chapter 8 as a guide (or placeholders if undecided).

- **Campus Resource** (e.g., counselling center):
- **Crisis Hotline** (e.g., Good2Talk number):
- **Personal Self-Care Idea** (e.g., journaling):

Bonus: Put a checkmark (✓) next to the resource you feel most comfortable using first.

Part 4: Emergency Action Snapshot (3 minutes)

Task: Fill in the blanks to create a quick emergency plan for a crisis situation in Canada.

- If I see someone collapse on campus, I will call _____ (number).
- I will tell the dispatcher my location, like " _____ " (e.g., campus library name or dorm address).
- While waiting for help, I will _____ (e.g., stay with the person, alert security).

Bonus: Write down one campus landmark or dorm address you'll memorize for emergencies:

Part 5: Seasonal Self-Care Pick (2 minutes)

Task: Pick one self-care activity for a Canadian winter and one for summer that you're excited to try. Draw a tiny icon or symbol next to each (e.g., a snowflake for winter, a sun for summer).

- **Winter Activity** (e.g., sipping hot chocolate with friends):
- **Summer Activity** (e.g., hiking in a park):

Bonus: Add a smiley face :) next to the one you're most excited about!

Reflection & Sharing (Optional, 5 minutes)

Task: Pair up with a peer or share with a mentor. Show your worksheet and discuss:

- Which part of your "Starter Kit" makes you feel most prepared for Canada?
- What's one tip or idea from this activity you'll remember most?
