

Chapter 6

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet 1: Setting Personal and Academic Goals

Name: _____ **Date:** _____ **Goal:** Learn to create clear, achievable goals using the SMART method (Specific, Measurable, Achievable, Relevant, Time-bound) for success in school and life.

Activity 1: Make a SMART Goal Think of one goal for school or personal life (like improving a grade or learning a skill). Write it using all 5 parts of SMART. Use the example to help you.

- Example: "I will study math for 20 minutes every day (Specific, Measurable) after homework (Achievable) because I want better grades (Relevant) for the next 4 weeks (Time-bound)."
- My Goal:
 - Specific: What exactly will I do? _____
 - Measurable: How will I track it? _____
 - Achievable: Is this realistic for me? _____
 - Relevant: Why does this matter to me? _____
 - Time-bound: When will I finish? _____

Activity 2: Goal Tracker Write your SMART goal from Activity 1 below. Track your progress for 3 days (or more if your teacher says). Check off each day you work on it and write one quick note about how it went.

- My SMART Goal: _____

Day

Did I Work on It? (Check ✓)

Quick Note (How did it go?)

Day 1

Day 2

Day 3

Reflection Questions:

- How does making my goal SMART help me focus on achieving it?
- What's one challenge I faced while working on my goal, and how can I overcome it?

Creative Task: Goal Star In the space below, draw a big star. Write your SMART goal in the center. On each point of the star, write one of the 5 SMART parts (like "Specific: Study math daily"). Add colours or designs to make it

motivating!

[Drawing Space]

Worksheet 2: Education and Career Pathways

Name: _____ **Date:** _____ **Goal:** Understand how school choices connect to future career opportunities.

Activity 1: School to Career Match Pick 2 school subjects or activities you like (like science or sports). Write 1 career each could help with and how it connects. Use the example to help you.

Example: Subject – Science; Career – Doctor; Connection – Science teaches about the body, which doctors need to know.

Subject/Activity	Possible Career	How It Connects
Example: Science	Doctor	Science teaches about the body, which doctors need to know.
• 1.		
• 2.		

Subject/Activity

Possible Career

How It Connects

Example: Science

Doctor

Science teaches about the body, which doctors need to know.

- 1.
- 2.

Activity 2: Career Research Challenge Choose 1 career you're curious about (like artist or engineer). Write 2 things you'd need to learn or study in school to prepare for it.

- Career: _____
- School Need 1: _____ (Example: Take art classes for artist)
- School Need 2: _____ (Example: Learn to draw for artist)

Reflection Questions:

- Why is it helpful to think about how school connects to future jobs?
- What's one school subject or club I can focus on to help with a career I like?

Creative Task: Career Path Drawing In the space below, draw a path from "School Now" to "Future Career" (pick one you like, like chef). Along the path, write or draw 2 school subjects or activities (like cooking club) that help you get there. Add colours to make it fun!

Worksheet 3: Finding Mentors and Support

Name: _____ **Date:** _____ **Goal:** Identify trusted adults who can guide you in school and future decisions.

Activity 1: My Support Team Think of 3 adults you trust (like a parent, teacher, or counsellor). Write their names and 1 thing they could help you with related to school or future plans.

Name (Adult)	How They Can Help
Example: Ms. Smith (Teacher)	Advice on science projects
• 1.	
• 2.	
• 3.	

Name (Adult)

How They Can Help

Example: Ms. Smith (Teacher)

Advice on science projects

- 1.
- 2.
- 3.

Activity 2: Question for a Mentor Pick 1 adult from your list above. Write 1 question you'd ask them about school or your future. If possible, ask them and write their answer (or guess what they'd say).

- Adult: _____
- Question: _____
- Their Answer (or Guess): _____

Reflection Questions:

- Why is it important to have adults I trust to help with big decisions?
- How can I feel more comfortable asking for help when I need it?

Creative Task: Thank You Card In the space below, draw or design a small "Thank You" card for one adult from your support team. Write 1 sentence about how they've helped or could help you (like "Thanks for helping with homework!"). Add colours or stickers if you want!

[Drawing Space]

Worksheet 4: Creating a Future Roadmap

Name: _____ **Date:** _____ **Goal:** Build a personal plan with goals, skills, and activities for the coming years.

Activity 1: My 3-Year Dreams Write 3 goals or dreams you have for the next 1-3 years (like joining a club or getting good grades). For each, write 1 small step to start working on it.

Goal/Dream	One Small Step to Start
------------	-------------------------

Example: Join soccer team	Ask coach about tryouts next week
• 1.	
• 2.	
• 3.	

Goal/Dream

One Small Step to Start

Example: Join soccer team

Ask coach about tryouts next week

- 1.
- 2.
- 3.

Activity 2: Skills to Build Think of 2 skills you want to learn for your goals or future (like speaking in public or coding). Write 1 way to start learning each skill.

Skill I Want	How I Can Start Learning It
Example: Drawing	Join art club at school
• 1.	
• 2.	

Skill I Want

How I Can Start Learning It

Example: Drawing

Join art club at school

- 1.
- 2.

Reflection Questions:

- How does making a roadmap help me plan for my future?
- What's one goal on my roadmap I'm most excited about, and why?

Creative Task: My Future Roadmap Poster In the space below, draw a roadmap (like a path or timeline) for the next 3 years. Mark 3 spots for goals or dreams (like "Year 1: Join a club"). Near each spot, write or draw a skill or step to get there. Use colors to make it inspiring!
