

Chapter 8

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 8: Editing and Polishing Your Work

Instructions: Complete each section below to practice editing and polishing skills from Chapter 8. Keep it real—use your own vibe and creativity! This should take about 20-30 minutes. Share with a friend or teacher if you want feedback.

Part 1: Revision Glow-Up (5 minutes)

Goal: Turn a rough draft into something sharper. **Task:** Write a quick 3-sentence blurb about a fun or weird moment from your week (first draft). Then, revise it by making one sentence clearer, cutting a boring part, or adding a detail for impact.

- **First Draft:**
- **Revised Version:**
- **Quick Reflection (1 sentence):** What did you change, and why does it feel stronger?

Part 2: Grammar & Style Fix (5 minutes)

Goal: Spot and fix a common mistake, plus add flair. **Task:** Look at this messy sentence: “Your gonna hate me but I lost ur phone at the mall.” Fix one grammar error (like “Your/You’re”) and tweak one word or phrase for better style (like swapping “hate” for something punchier).

- **Fixed & Styled Sentence:**
- **Quick Reflection (1 sentence):** What did you fix or change, and how does it improve the vibe?

Part 3: Peer Review Practice (5 minutes)

Goal: Give feedback like a pro. **Task:** Read this short blurb (or swap with a friend’s writing if possible): “I went to a concert. It was loud. I liked it.” Write 1 positive comment and 1 specific suggestion to make it better.

- **Positive Comment:**
- **Suggestion for Improvement:**
- **Quick Reflection (1 sentence):** How did giving feedback feel, or what would you ask if this was your writing?

Part 4: Sharing Prep Mini-Plan (5 minutes)

Goal: Get a piece ready for an audience. **Task:** Imagine you’re sharing a short story or post (or use your blurb from Part 1). Pick a place to share it (group chat, Instagram, or class reading). List 1 way you’d tweak it for that spot (like shortening for Insta or practicing aloud for class) and 1 thing you’d double-check (like typos).

- **Sharing Spot:** _____
- **Tweak for Audience:**

- **Double-Check Before Sharing:**

- **Quick Reflection (1 sentence):** Why does this prep make it ready for that audience?

Bonus Challenge (Optional): Pick one part of this worksheet and share your revised or prepped writing with a friend, family member, or teacher. Write 1 sentence on how it felt to share or what feedback you got.
