Worksheet for Chapter 9: Sharing Your Voice with the World

Instructions: Complete each section below to practice the skills from Chapter 9 for sharing your writing with the world. Keep it real—use your own style and ideas! This should take about 20-30 minutes. Share with a friend or teacher if you want feedback or hype.

Part 1: Pick Your Platform (5 minutes)

Goal: Explore where to share your writing. **Task:** Think of a short piece you've written (story, poem, or rant) or make up a quick idea for one. Choose one platform from Chapter 9 (blog, school magazine, or online forum like Wattpad) to publish it on. Write why you picked that spot and one step you'd take to get started.

- **My Piece/Idea (1 sentence):**
- **Platform I'd Use:** _____
- **Why I Picked It (1 sentence):**
- **First Step to Share (1 sentence):**
- **Quick Reflection (1 sentence):** How does picking this platform feel—exciting, scary, or something else?

Part 2: Contest or Workshop Plan (5 minutes)

Goal: Get ready to level up with a contest or workshop. **Task:** Decide if you'd rather try a writing contest or join a workshop (check Chapter 9 for ideas). Write down one real or made-up contest/workshop you'd like to try, where you might find it (school, library, online), and one thing you'd hope to gain from it.

- **Contest or Workshop?** _____
- **Name/Description of One to Try (1 sentence):**
- **Where to Find It (1 sentence):**
- **What I Hope to Gain (1 sentence):**
- **Quick Reflection (1 sentence):** What's one worry or excitement you have about joining this?

Part 3: Mini-Portfolio Brainstorm (5 minutes)

Goal: Plan a simple showcase of your work. **Task:** Imagine you're building an online portfolio (like on Wix or Instagram). List 2-3 pieces of writing (real or ideas) you'd include to show off your style. Add one fun detail for your "About Me" section to make it pop.

- **Piece 1 (Title or Idea):** _____
- **Piece 2 (Title or Idea):** _____
- **Piece 3 (Optional, Title or Idea):** _____

- **Fun 'About Me' Detail (1 sentence):**
- **Quick Reflection (1 sentence):** How would showing these pieces online make you feel—proud, nervous, or something else?

Part 4: Handling Feedback Practice (5 minutes)

Goal: Prep for criticism like a pro. **Task:** Write a short 2-sentence blurb (or use one from Part 1). Then, imagine a friend gives you this feedback: "I liked the vibe, but the ending confused me." Write how you'd respond politely and one way you'd tweak your blurb based on their comment.

- **My Short Blurb:**
- **My Polite Response to Feedback (1 sentence):**
- **How I'd Tweak It (1 sentence):**
- **Quick Reflection (1 sentence):** How did it feel to think about getting and using feedback?

Bonus Challenge (Optional): Pick one part of this worksheet and take a real step this week—like posting on a platform, searching for a contest, or sharing a piece for feedback. Write 1 sentence on what you did and how it went.
