Epic First Aid Challenge Worksheet for Chapter 3: Basics of First Aid

Hey, high school heroes! Welcome to the ultimate First Aid Challenge! This worksheet for Chapter 3 is your battleground to prove you've got the skills to save the day. Dive into mind-bending scenarios and a hands-on mission that'll test your emergency know-how. Grab your cape (or bandage), think like a crisis champ, and complete each section with grit and creativity. Show your instructor or squad your answers, and let's see who's the top first aid warrior! Ready? Let's roll!

Part 1: Emergency Brain Teasers

Instructions: Put on your thinking cap and tackle these real-world puzzles. Write short, punchy responses (2-3 sentences) to show how you'd handle these situations. No right or wrong—just think fast and smart!

- **Scene Safety Showdown:** You're at a skate park, and a friend wipes out hard. Before you rush in, what's the one thing you **MUST** check to keep yourself out of danger? Why does it matter?
- **Gear Up Genius:** Imagine a buddy gets a nasty cut during a camping trip. Pick two must-have items from a first aid kit and explain how you'd use them to save the moment.
- **First Aid Code Crack:** Every hero needs a motto! What are the "3 P's" of first aid, and how do they guide you when someone's in trouble?

Part 2: Mission – Craft Your Hero's First Aid Arsenal

Instructions: Time to gear up like a true lifesaver! Build your own mini first aid kit using stuff from home or school. Grab a small container (think pencil case, tiny box, or baggie) and pack at least 6 essentials from Chapter 3. Make it epic by decorating it with a cool label, sketch, or sticker. Then, complete the tasks below to prove your kit's ready for action!

- **Inventory of Awesomeness:** List the 6 items you packed in your mini first aid kit.
 -
 -
 -
 -
 -
 -
- **Secret Weapon Spotlight:** Pick one item from your kit. Why'd you choose it, and how could it be a game-changer in a teen emergency (like a sports injury or school mishap)?
- **Battle-Ready Stash Spot:** Where will you keep this kit so it's always within arm's reach for a crisis (e.g.,

backpack, locker, bike bag)?
