

Chapter 5

MCQs

Question 1

What does the "S" in HTTPS stand for, and why is it important when browsing the internet?

- ☐ A) Speed; it makes websites load faster for better streaming
- ☐ B) Secure; it encrypts your data to protect it from hackers
- ☐ C) Simple; it simplifies the website design for easier use
- ☐ D) Social; it connects you to social media platforms safely

Correct Answer: B)

Secure; it encrypts your data to protect it from hackers

Question 2

What is a major risk of using public Wi-Fi, and how can you stay safe?

- ☐ A) It's too slow for gaming; use a wired connection instead
- ☐ B) It's often unsecured, allowing hackers to spy; use a VPN for protection
- ☐ C) It costs money to connect; avoid it by using mobile data always
- ☐ D) It limits app downloads; only download apps at home

Correct Answer: B)

It's often unsecured, allowing hackers to spy; use a VPN for protection

Question 3

When downloading apps, what is a key safety tip to follow to avoid malware or scams?

- ☐ A) Download from random websites for exclusive free versions
- ☐ B) Only use official stores like Google Play or Apple App Store and check reviews
- ☐ C) Install apps that ask for access to all your data for full features
- ☐ D) Always download "cracked" versions to save money on paid apps

Correct Answer: B)

Only use official stores like Google Play or Apple App Store and check reviews

Question 4

How can you identify clickbait or a suspicious link before clicking on it?

- ☐ A) It promises realistic rewards and comes from a trusted friend
- ☐ B) It uses over-the-top headlines like "SHOCKING!" and has a weird URL
- ☐ C) It's posted by a verified account with a blue checkmark
- ☐ D) It leads to a well-known website with an HTTPS lock icon

Correct Answer: B)

It uses over-the-top headlines like "SHOCKING!" and has a weird URL

Question 5

What should you do if you receive a message with a link saying, "Win Free Robux Now!" from an unknown sender?

- ☐ A) Click it immediately to claim the reward before it's gone
- ☐ B) Ignore or delete it, as it's likely clickbait or a scam, and don't click the link
- ☐ C) Share it with friends to see if they think it's real
- ☐ D) Enter your gaming login to verify the offer is legit

Correct Answer: B)

Ignore or delete it, as it's likely clickbait or a scam, and don't click the link
