

Chapter 7

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet: Social Media and Digital Footprint

Purpose: To reinforce key concepts from Chapter 7 through reflective questions, practical tasks, and critical thinking activities tailored for teens.

Part 1: Quick Recall (Answer in 1-2 sentences)

- What is a digital footprint, and why should teens care about it?
- Name one way to manage your social media account responsibly.

Part 2: Practical Application (Hands-On Task)

- **Social Media Safety Check:** Pick one social media app you use most (like Instagram or TikTok). Check your settings and answer:
 - Is your account set to private? (Yes/No) _____
 - Is two-factor authentication (2FA) turned on? (Yes/No) _____
 - Can strangers message or comment on your posts? (Yes/No) _____. If you answered "No" or "Yes" where it's risky, write one step you'll take this week to improve your safety:
- **Digital Footprint Audit:** Google your name (or ask a friend to) and see what comes up. Write down one thing you found (a post, photo, etc.) and whether it's something you're proud of or want to remove:
 - What I found: _____
 - Proud or Remove? Why? _____

Part 3: Critical Thinking (Short Answer)

- **Real-World Scenario:** Imagine a classmate posts a rude comment on your latest video, calling it "cringe." How would you handle this based on what you learned about dealing with trolls and negative comments?

Part 4: Personal Commitment (Reflection)

- **Digital Presence Pledge:** Pick two habits from Chapter 7 (e.g., thinking before posting, being kind online) that you'll commit to starting now. Why did you choose these?

◦ Habit 1: _____

Why? _____

◦ Habit 2: _____

Why? _____
