

Chapter 9

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 9: Capstone Project Instructions: Complete the following tasks individually or in pairs as directed by your teacher. Write clear, thoughtful answers, and be prepared to discuss your ideas with the class. This worksheet will help you start thinking about your own Capstone Project—let's make data come alive!

Part 1: Planning Your Project (10 Minutes)

Goal: Identify a topic and define a clear focus for your data project. **Task:** Choose a topic that interests you (e.g., sports stats, social media trends, or environmental data). Write a short problem statement (1-2 sentences) describing the issue or question you want to explore, and list 2 specific objectives (goals) for your project. **Space for Answer:**

- **Topic:** _____
- **Problem Statement:** _____
- **Objectives:**
 -
 -

Part 2: Executing Your Project (10 Minutes)

Goal: Plan how to collect and analyze data for your project. **Task:** Answer the following in short responses (1-2 sentences each):

- How will you collect data for your topic? (e.g., survey friends, track personal stats, use online datasets)
- How will you organize and analyze this data? (e.g., use Google Sheets to make a table and find averages)
- What kind of visualization might you create to show your findings? (e.g., bar chart, pie chart)

Part 3: Presenting Your Findings (10 Minutes)

Goal: Prepare to share your project with others. **Task:** Imagine you've completed your project. Write 2-3 sentences summarizing one key finding you might discover and one recommendation based on that finding. Then, note one way you'd make your presentation engaging (e.g., a fun story, a cool visual). **Space for Answer:**

- **Key Finding & Recommendation:**
- **Engagement Idea for Presentation:**

Part 4: Quick Reflection – My Data Journey (5 Minutes)

Goal: Reflect on how this project could shape your skills and interests. **Task:** Write 2-3 sentences answering: How does creating a Capstone Project make you feel about working with data, and do you think you'd like to do more data projects in the future (for hobbies, school, or a career)? **Space for Answer:**

Bonus Fun Challenge (Optional, 5 Minutes): Sketch a quick “Data Hero” version of yourself working on this project (e.g., as a detective solving a data mystery). Give it a fun title like “Stats Superstar!” Share with a classmate for a laugh! **Space for Sketch:**
