Worksheet: Chapter 1 - Introduction to Digital Content Creation

Course: Digital Content Creation & Storytelling Skills for High Schoolers **Objective:** Reflect on and apply key concepts from Chapter 1 to kickstart your journey as a digital content creator.

Part 1: Quick Recall (Answer in 1-2 sentences)

- **What is Digital Content Creation?** Describe what digital content creation means to you and why it's important in today's world.
- **Platform Match-Up** Choose one platform (e.g., YouTube, Instagram, TikTok) and explain why it's a good fit for a specific type of content you'd like to create.

Part 2: Brainstorming Your Ideas

- **Find Your Niche** List 2-3 interests or hobbies you have. Pick one and write down a possible niche idea for content creation based on it. (Example: Interest - Gaming; Niche - Retro game reviews)
 - Interest 1: _____
 - Interest 2: _____
 - Interest 3: _____
 - Chosen Niche Idea: _____
- **Who's Your Audience?** For the niche you picked, describe who your target audience might be (e.g., age group, interests). How would you make your content appeal to them?

Part 3: Ethics Check

- **Responsible Creation** Imagine you're making a video and want to use a popular song as background music. What's one ethical way to handle this to avoid copyright issues?

Part 4: Mini Challenge (Creative Task)

- **First Content Idea** Sketch out a simple idea for your first piece of digital content based on your niche and platform choice. It could be a video script, photo concept, or post idea. Include:
 - What it's about (topic or theme)
 - Where you'll post it (platform)
 - One fun or unique element to make it stand out

Reflection: After completing this worksheet, what's one thing you're most excited to try as a digital content creator?
