

Chapter 6

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 6: Building Narratives in Digital Content

Objective: To reinforce key concepts from Chapter 6 through short activities, reflection, and critical thinking exercises related to storytelling in digital content.

Part 1: Key Concepts Review (Short Answer)

Answer the following questions based on what you learned in Chapter 6. Keep your answers brief but thoughtful.

- How do visuals and audio work together to tell a story in a video? Give one example.
- What is the difference between fast and slow pacing in video storytelling? When might you use each?
- Why is creating a series or thematic content helpful for keeping an audience engaged?
- How can feedback help improve your digital storytelling? Name one way to gather it.

Part 2: Practical Activity - Mini Story Challenge

Objective: Apply storytelling skills using a smartphone or free editing software like CapCut or iMovie.

Instructions:

- Film a short 15-30 second video on your phone (e.g., a funny moment, a quick story, or a daily vibe).
- Edit the video using at least **two techniques** from Chapter 6. Check the boxes below for the techniques you will use:
 - Combine Visuals & Audio (add music or sound effects to match the mood)
 - Pacing & Rhythm (use fast or slow cuts synced to audio)
 - Thematic Element (add a consistent filter or catchphrase for brand vibe)
- Post or save the video and answer the reflection questions below.

Reflection Questions:

- What techniques did you use, and how did they improve your story?
- What was the hardest part of this challenge, and how did you handle it?

Optional Sharing: Share your video on TikTok or Instagram with #TeenStoryStar and tag a friend to try the challenge!

Part 3: Quick Match - Storytelling Elements

Match the storytelling concept from Chapter 6 to its purpose. Draw a line or write the letter next to the number.

- Combining Visuals & Audio

- Pacing & Rhythm
- Series/Thematic Content
- Feedback
- A. Controls the speed and energy of a video to keep viewers hooked. B. Builds consistency to retain an audience over multiple posts. C. Enhances emotion and impact by blending what's seen and heard. D. Helps creators identify strengths and improve content based on input.

Part 4: Creative Thinking - Plan a Series

Objective: Plan a short series to practice building narratives with consistency.

Instructions: Imagine you're starting a 3-part video series for TikTok or YouTube (e.g., "Weekly Fails" or "School Hacks"). Answer the following:

- Series Title/Theme: _____
- What will happen in each of the 3 parts? (Briefly describe) Part 1:
 _____ Part 2:
 _____ Part 3:

- How will you make it consistent? (e.g., same intro, music, or hashtag)

Part 5: Self-Assessment Checklist

Reflect on your understanding of Chapter 6 by checking the boxes that apply to you.

- I can explain how visuals and audio create a stronger story in videos.
- I understand pacing and rhythm and can use them to control a video's vibe.
- I know how to plan a series or theme to keep viewers coming back.
- I've asked for feedback on content and used it to improve my storytelling.

Reflection: Which area do you want to improve most, and what will you do to practice it?
