

Chapter 7

MCQs

Question 1

What is the main purpose of creating a personal or channel brand identity for your online content?

- ☐ A) To copy popular creators and gain quick followers
- ☐ B) To make your content recognizable and unique so people remember and connect with your vibe
- ☐ C) To change your style constantly to confuse your audience
- ☐ D) To focus only on visuals without considering your personality or niche

Correct Answer: B)

To make your content recognizable and unique so people remember and connect with your vibe

Question 2

Why are thumbnails, logos, and channel art important for your online presence?

- ☐ A) They make your profile look cluttered and hard to navigate
- ☐ B) They act as the first impression to grab attention and reflect your brand before viewers click
- ☐ C) They are unnecessary if your content is good enough
- ☐ D) They should be changed daily to keep things fresh

Correct Answer: B)

They act as the first impression to grab attention and reflect your brand before viewers click

Question 3

What is a key strategy for writing effective titles, descriptions, and tags to improve visibility on platforms like YouTube or TikTok?

- ☐ A) Use long, complicated titles to explain every detail of the video
- ☒ B) Include catchy phrases, keywords, and calls-to-action to attract clicks and boost searchability
- ☐ C) Avoid using hashtags or tags to keep your content exclusive
- ☐ D) Write descriptions that are unrelated to the video to surprise viewers

Correct Answer: B)

Include catchy phrases, keywords, and calls-to-action to attract clicks and boost searchability

Question 4

How does engaging with your audience through comments, polls, and community building benefit your online presence?

- ☐ A) It discourages followers from interacting with your content
- ☒ B) It builds a loyal community that feels connected, increasing likes, shares, and growth
- ☐ C) It only works if you ignore negative comments completely
- ☐ D) It takes too much time and has no real impact on your following

Correct Answer: B)

It builds a loyal community that feels connected, increasing likes, shares, and growth
