

Chapter 4

MCQs

Question 1

What is a Business Plan?

- ☐ A) A detailed 50-page document required for all businesses
- ☒ B) A written guide that acts like a GPS for your side hustle, showing where you're headed and how to get there
- ☐ C) A playlist of motivational songs to inspire your hustle
- ☐ D) A list of products you want to buy for your business

Correct Answer: B)

A written guide that acts like a GPS for your side hustle, showing where you're headed and how to get there

Question 2

What does the 'M' in SMART goals stand for?

- ☐ A) Motivational
- ☒ B) Measurable
- ☐ C) Manageable
- ☐ D) Marketable

Correct Answer: B)

Measurable

Question 3

Why is budgeting important for a teen's side hustle?

- ☐ A) It helps you spend all your money on cool packaging
- ☐ B) It ensures you make every dollar (or rupee) count by tracking costs and income
- ☐ C) It guarantees you'll make a profit immediately
- ☐ D) It's only necessary for big companies, not small hustles

Correct Answer: B)

It ensures you make every dollar (or rupee) count by tracking costs and income

Question 4

Which of the following is a good time management tip for balancing school and a side hustle?

- ☐ A) Work on your hustle all night and skip sleep
- ☐ B) Set specific hustle hours, like 1-2 hours a few days a week, to avoid clashing with schoolwork
- ☐ C) Take on as many orders as possible, even during exam week
- ☐ D) Ignore school deadlines to focus on your business

Correct Answer: B)

Set specific hustle hours, like 1-2 hours a few days a week, to avoid clashing with schoolwork

Question 5

What is a key part of a mini business model for a teen's side hustle?

- ☐ A) Writing a 100-page report on market trends
- ☐ B) Outlining how you deliver your product or service to customers
- ☐ C) Creating a playlist for motivation while working
- ☐ D) Buying expensive equipment before starting

Correct Answer: B)

Outlining how you deliver your product or service to customers
