Worksheet for Chapter 4: Basics of Business Planning

Purpose: This worksheet is designed to help teens apply the concepts from Chapter 4 through reflective questions, practical exercises, and creative tasks. It reinforces key ideas like business planning, goal-setting, budgeting, time management, and creating a business model in an engaging and actionable way.

Part 1: Reflect on Your Business Plan (10 minutes)

A business plan is your roadmap to success. Let's start by thinking about why it matters for your side hustle.

- In 2-3 sentences, describe your side hustle idea and why you think having a simple business plan could help you succeed.
- List 3 specific things you want to achieve with your side hustle in the next 3 months (e.g., "sell 10 products," "save \$20 (₹1650)," "get 50 Instagram followers").

Part 2: Set a SMART Goal (15 minutes)

SMART goals are Specific, Measurable, Achievable, Relevant, and Time-bound. Create one SMART goal for your side hustle.

- Write your SMART goal below: Goal: _____
- Check off each SMART component to ensure your goal fits:
 - Specific? ___ (Is it clear and detailed?)
 - Measurable? ___ (Can you track it with numbers?)
 - Achievable? ___ (Is it realistic for you right now?)
 - Relevant? ___ (Does it match your hustle and interests?)
 - Time-bound? ___ (Does it have a deadline?)

Part 3: Budgeting Basics (15 minutes)

Budgeting helps you manage money for your hustle. Create a mini-budget based on your current resources.

- Fill in the blanks for your side hustle:
 - Money I Have: \$___ (₹___)
 - Costs (list 2-3 things you need to buy and their cost):

■ Item 1: \$ ____ (₹ ____)

■ Item 2: \$ ____ (₹ ____)

■ Item 3: \$ ____ (₹ ____)

■ Total Costs: \$ ____ (₹ ____)

○ Expected Income (how much you plan to earn): \$ ____ (₹ ____)

○ Leftover/Save: \$ ____ (₹ ____)

- If your costs are more than your money or income, what's one way you can cut costs or earn more?

Part 4: Time Management Check (10 minutes)

Balancing school and a hustle requires planning your time. Let's find slots for your side gig.

- List your typical weekly commitments (e.g., school, homework, sports):

○ Monday: _____

○ Tuesday: _____

○ Wednesday: _____

○ Thursday: _____

○ Friday: _____

○ Saturday: _____

○ Sunday: _____

- Identify 2-3 time slots (1-2 hours each) where you can work on your hustle:

○ Slot 1 (Day/Time): _____

○ Slot 2 (Day/Time): _____

○ Slot 3 (Day/Time, if applicable): _____

Part 5: Build Your Mini Business Model (15 minutes)

A mini business model outlines how your hustle works. Fill in the 4 key parts for your idea.

- Complete the snapshot of your hustle:

○ Offer (What are you selling or doing?): _____

○ Customer (Who will buy it? Be specific): _____

○ Delivery (How will they get it? In-person, online, etc.):

○ Earnings (How much will you charge, and what's your profit per sale?): \$ ____ (₹ ____) charged, \$ ____ (₹ ____) profit

- Bonus Creative Task: Draw a quick sketch or doodle of your product/service or how you'll deliver it to customers (e.g., you handing over a product or sending it online). Use the space below or attach a separate paper.

Part 6: Wrap-Up Reflection (5 minutes)

Think about what you've learned from this chapter and worksheet.

- Which part of business planning (e.g., goals, budget, time management, business model) are you most excited to try, and why? Write 2-3 sentences.
- What's one small action you'll take this week to move your side hustle forward based on this worksheet?

Fun Bonus Challenge: Hustle Hype Sticker! Design a small sticker or logo for your side hustle in the space below. It could include your hustle's name, a cool symbol, or a vibe that represents you. If you can, share it with a

friend or stick it somewhere to keep you motivated!
