Worksheet: Chapter 7- Digital Tools and Online Hustles

Purpose: This activity-based worksheet focuses on hands-on tasks to help you apply concepts from Chapter 7. Through practical exercises, you'll explore digital hustles, online presence, tools, and safety as part of your self-taught journey. Use a notebook, digital document, or printout to complete the activities, leaving plenty of space for your answers, notes, and ideas.

Activity 1: Dream Up Your Digital Hustle (Brainstorming)

Objective: Identify a personal online hustle idea that excites you based on Section 3. **Task:** Think about your skills, hobbies, or interests (e.g., drawing, gaming, teaching). Pick one online side hustle from the chapter (like content creation, tutoring, or selling digital products) or come up with your own. Answer the prompts below to flesh out your idea. Spend 15-20 minutes on this.

- **My Hustle Idea:** (What will you do online to earn money or build skills?)
- **Why I Chose This:** (How does it match my skills or passions?)
- **Platform to Start On:** (Where will you launch it, e.g., Instagram, Etsy, Twitch?)

Quick Reflection: (How did brainstorming make you feel about starting a hustle?)

Activity 2: Build Your Online Vibe (Profile Drafting)

Objective: Create a mock online presence for your hustle using tips from Section 2. **Task:** Imagine you're setting up a profile on your chosen platform. Draft a catchy username, a short bio (2-3 sentences), and describe what your profile picture might be (no need to upload anything yet). Keep it consistent and memorable. Spend 20-30 minutes on this.

- **Catchy Username:** (Something unique and related to your hustle)
- **Bio Draft:** (Introduce your hustle and hook followers)
- **Profile Picture Idea:** (Describe what it would be, e.g., a logo, selfie, or art)

Quick Reflection: (Does this profile draft feel like "you"? Why or why not?)

Activity 3: Test a Free Tool (Hands-On Experiment)

Objective: Experiment with a free tool from Section 4 to support your hustle. **Task:** Choose one free tool (e.g., Canva for designs, Google Sheets for tracking, or Google Forms for orders). Spend 30 minutes exploring it—create something small like a social media graphic, a budget sheet, or a survey. If you don't have internet access, sketch or plan what you'd make on paper. Note your experience below.

- **Tool Chosen:** (Which tool did you pick?)
- **What I Created:** (Describe your mini-project, e.g., a poster, a list)

- **How It Went:** (Was it easy, fun, or tricky? Any cool features?)

Quick Reflection: (How could this tool help your hustle regularly?)

Activity 4: Safety Check Challenge (Practical Audit)

Objective: Apply online safety tips from Section 5 to protect yourself. **Task:** Pick one of your existing social media or email accounts (or imagine setting up a new one for your hustle). Spend 15-20 minutes checking or planning at least two safety measures (e.g., set profile to private, enable 2FA, avoid sharing personal info). Write down what you did or plan to do. If you can't access accounts now, write a safety checklist for later.

- **Account Checked/Planned For:** (Which account or new setup?)
- **Safety Measure 1:** (What did you do or will you do, e.g., turn on 2FA?)
- **Safety Measure 2:** (Another action, e.g., remove location tags?)

Quick Reflection: (Do you feel more secure after this? Why?)

Activity 5: First Step Action Plan (Goal-Setting)

Objective: Commit to one small, doable step to kickstart your hustle. **Task:** Based on your hustle idea from Activity 1, decide on one tiny action you'll take in the next 7 days (e.g., post a sample, research competitors, finalize profile). Set a specific day and time to do it. Spend 10-15 minutes planning and writing it out.

- **My First Step:** (What exactly will you do to start your hustle?)
- **When I'll Do It:** (Specific day and time, e.g., Saturday at 3 PM)
- **How I'll Prepare:** (Any tools, help, or setup needed?)

Quick Reflection: (How confident are you about taking this step? What's exciting or scary?)

Bonus Activity (Optional Fun Task): Hype Post Creation

Objective: Get creative and build excitement for your hustle. **Task:** Write or design a mock social media post to announce your hustle. Include a catchy caption (e.g., "Dropping my art page—custom sketches for ₹400, hit me up!") and a call-to-action (like "Follow for more!"). Spend 10-15 minutes on this. If comfortable, share it with a friend for feedback; if not, keep it as inspo.

- **My Hype Post Caption:**
- **Feedback (If Shared) or Personal Thoughts:** (What did others say, or how do you feel about it?)
