Worksheet for Chapter 5: Budgeting and Financial Planning

Instructions: Answer the questions and complete the tasks below. Use a notebook, digital document, or printout to record your responses. Be creative and think about how these skills apply to events you might plan at school or in your community. All monetary amounts are provided in both USD (\$) and Indian Rupees (₹).

Part 1: Understanding Budget Basics (10 minutes)

Task 1: Define and Reflect

- In your own words, what is a budget, and why is it important for planning a school event? (2-3 sentences)
- List 2 sources of income and 2 types of expenses you might encounter while planning a school cultural fest.
 - Income 1: _____
 - Income 2: _____
 - Expense 1: _____
 - Expense 2: _____

Part 2: Creating a Budget Spreadsheet (20 minutes)

Task 2: Build a Mini-Budget Imagine you're planning a "Friendship Day Party" at school with a target budget of \$200 (₹16,000). You expect to earn \$150 (₹12,000) from ticket sales and \$50 (₹4,000) from a small fundraiser. Create a simple budget spreadsheet below by filling in the table. Include at least 4 expense categories, estimate costs for each, and calculate your total income, expenses, and profit/loss. If you're over budget, adjust one expense and note why.

Item/Category	Estimated Cost/Income	Notes
Income		
Ticket Sales	\$150 (₹12,000)	
Fundraiser	\$50 (₹4,000)	
Total Income		

Expenses		
• 1. _____	\$_____ (₹_____)	
• 2. _____	\$_____ (₹_____)	
• 3. _____	\$_____ (₹_____)	
• 4. _____	\$_____ (₹_____)	
Total Expenses

Reflection Question: If your total expenses exceed \$200 (₹16,000), which expense would you cut or reduce, and why? If you're under budget, what would you spend the extra money on?

Part 3: Fundraising Ideas for Teens (15 minutes)

Task 3: Brainstorm and Plan

- Choose one fundraising idea from Chapter 5 (e.g., bake sale, crowdfunding, mehndi stall) or come up with

your own. Describe how you would organize it for your "Friendship Day Party." Include:

- What you'll do (specific activity).
 - Where and when you'll do it (location and timing).
 - How much you hope to raise (e.g., \$30/₹2,400).
 - One way to make it fun or unique for your school crowd.
- Write a short 2-3 sentence pitch you could use to convince a local shop to sponsor your event with \$25 (₹2,000) or in-kind items (like snacks).

Part 4: Cost-Cutting Tips (15 minutes)

Task 4: Apply Savings Strategies

- List 3 cost-cutting tips from Chapter 5 that you could use for the "Friendship Day Party." For each tip, write one specific example of how you'd apply it to save money.
 - Tip 1: _____ Example: _____
 - Tip 2: _____ Example: _____
 - Tip 3: _____ Example: _____
- Imagine you need decorations for the party but only have \$10 (₹800) to spend. Describe one DIY decor idea using materials you can find at home or buy cheaply, and estimate the cost.

Part 5: Mini-Project – Budget Challenge (20-30 minutes)

Task 5: Real-World Application Pick a real or imaginary school event (e.g., Teacher's Day Celebration, Annual Sports Day) and create a quick budget summary for it. Follow these steps:

- Name the event: _____
- Set a total budget limit: \$_____ (₹_____)
- List 2 income sources and their estimated amounts:
 - Source 1: _____ Amount: \$_____ (₹_____)
 - Source 2: _____ Amount: \$_____ (₹_____)
- List 3 expense categories and their estimated costs:
 - Expense 1: _____ Cost: \$_____ (₹_____)
 - Expense 2: _____ Cost: \$_____ (₹_____)
 - Expense 3: _____ Cost: \$_____ (₹_____)
- Calculate Total Income, Total Expenses, and Profit/Loss:
 - Total Income: \$_____ (₹_____)
 - Total Expenses: \$_____ (₹_____)
 - Profit/Loss: \$_____ (₹_____)
- Suggest one fundraising idea and one cost-cutting tip to improve your budget if needed.
 - Fundraising Idea: _____
 - Cost-Cutting Tip: _____
