

Chapter 6

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 6: Logistics and Resource Management

Instructions: Answer the questions and complete the tasks below. Use a notebook, digital document, or printout to record your responses. Be creative and think about how these skills apply to events you might plan at school or in your community. All monetary amounts are provided in both USD (\$) and Indian Rupees (₹).

Part 1: Choosing a Venue (15 minutes)

Task 1: Venue Evaluation

- Imagine you're planning a "School Dance Competition" for 150 students. List 2 potential venues (e.g., school auditorium, local park) and evaluate them based on the following factors: space/capacity, accessibility, cost, facilities, and vibe. Write 1-2 sentences for each venue explaining why it might work or not.
 - Venue 1: _____ Evaluation: _____
 - Venue 2: _____ Evaluation: _____
- Which venue would you choose for the Dance Competition and why? (2-3 sentences)

Part 2: Equipment and Supplies Checklist (20 minutes)

Task 2: Build a Checklist Imagine you're organizing a "School Debate Tournament" for 50 participants and 50 audience members in the school library. Create a simple equipment and supplies checklist by filling in the table below. Include at least 5 items across different categories (e.g., tech, furniture, supplies), estimate quantities, decide how to source them (buy, borrow, rent), and note the cost if any. Keep your total budget under \$50 (₹4,000).

Category	Item	Quantity	Source (Buy/Borrow/Rent)	Cost	Notes

Total Cost				\$_____ (₹_____)	

Category

Item

Quantity

Source (Buy/Borrow/Rent)

Cost

Notes

Total Cost

\$_____ (₹_____)

Reflection Question: If one item is unavailable (e.g., can't borrow microphones), what backup plan would you use to replace it without going over budget?

Part 3: Vendor and Supplier Coordination (15 minutes)

Task 3: Vendor Planning and Negotiation

- For the "School Debate Tournament," you need snacks for 100 people (participants and audience). Identify a local vendor (e.g., a nearby caterer or snack shop) you could approach. Write a short 2-3 sentence script to contact them, mentioning your event, budget of \$30 (₹2,400), and what you need (e.g., biscuits and juice). Script: _____
- Imagine the vendor quotes \$40 (₹3,200) for the snacks. Write a 2-sentence response to negotiate the price down to your budget or ask for a small freebie (like extra biscuits). Negotiation Response: _____
- List 1 possible issue that could arise with the vendor (e.g., late delivery) and suggest a backup plan to handle it. Issue: _____ Backup Plan: _____

Part 4: Safety and Permissions (15 minutes)

Task 4: Safety and Rules Planning

- For the "School Debate Tournament" in the school library, list 3 safety measures you would take to ensure attendees' well-being (e.g., first-aid availability, crowd control). For each, write 1 sentence explaining how you'd implement it.
 - Measure 1: _____ Implementation: _____
 - Measure 2: _____ Implementation: _____
 - Measure 3: _____ Implementation: _____
- Draft a short 2-3 sentence request to ask your school principal for permission to host the event in the library on a specific date and time. Be polite and mention the purpose and expected number of attendees. Permission Request: _____
- Imagine a small safety incident occurs (e.g., someone trips over a chair). How would you handle it during the

event? (2-3 sentences)
