

Chapter 7

MCQs

Question 1

What is the primary purpose of crafting an event brand for a school event?

- ☐ A) To make the event more expensive by adding logos and themes
- ☒ B) To create a unique and memorable identity that helps people recognize and remember the event
- ☐ C) To confuse attendees with complex designs and names
- ☐ D) To avoid using social media for promotion

Correct Answer: B)

To create a unique and memorable identity that helps people recognize and remember the event

Question 2

Which of the following is an effective social media strategy for promoting a school event on TikTok?

- ☐ A) Posting long, detailed videos explaining every aspect of the event
- ☒ B) Creating short, trendy videos with popular sounds or challenges to grab attention
- ☐ C) Avoiding hashtags to keep the event exclusive
- ☐ D) Posting only once a month to avoid annoying followers

Correct Answer: B)

Creating short, trendy videos with popular sounds or challenges to grab attention

Question 3

How can traditional promotion methods like flyers be made more interactive for a high school audience?

- ☐ A) By using small, hard-to-read text to save space
- ☐ B) By placing them only in teachers' lounges where students can't see them
- ☐ C) By adding a QR code that links to a signup form or sneak peek video
- ☐ D) By making them black and white to save on printing costs

Correct Answer: C)

By adding a QR code that links to a signup form or sneak peek video

Question 4

Why is engaging your audience early an important part of event promotion?

- ☐ A) It ensures that tickets are more expensive closer to the event date
- ☐ B) It gives people time to plan to attend and builds excitement well before the event
- ☐ C) It prevents anyone from knowing about the event until the last minute
- ☐ D) It makes the event planning process more complicated

Correct Answer: B)

It gives people time to plan to attend and builds excitement well before the event
