Worksheet: Capstone Project and Reflection (Chapter 12)

This worksheet will guide you through creating a Personal Branding Plan, implementing and reviewing your online presence, getting peer feedback, and reflecting on your growth while planning future steps. These activities are designed just for high schoolers like you to make sure your brand shines and you're ready for what's next. Grab a pen, your phone, or a laptop, and let's wrap this journey with a bang—your personal brand is about to level up!

Part 1: Developing a Personal Branding Plan

Let's build the blueprint for your online identity! A Personal Branding Plan helps you show the world who you are with purpose.

- **Core Identity:** Write down 3-5 words that describe who you are (e.g., "Creative, funny, driven").
- **Goals:** What's one short-term goal (next 3 months) and one long-term goal (next 1-2 years) for your brand? (e.g., "Get 100 followers" / "Build a portfolio for college") Short-Term:
_____ Long-Term:

- **Platforms & Style:** Which 1-3 platforms will you focus on, and what's your content style? (e.g., "Instagram—bright pics, funny captions, post 3x/week")
- **Safety Rule:** What's one boundary to stay safe online? (e.g., "No sharing my location")

Part 2: Implementing and Reviewing Your Online Presence

Time to put your plan into action and check how it's going!

- **First Move:** What's one piece of content you'll post soon based on your plan? (e.g., "A TikTok vid of my art process")
- **Engagement Idea:** How will you connect with followers this week? (e.g., "Reply to comments or ask a question in my post")
- **Review Plan:** When will you check your progress (2-4 weeks from now), and what will you look at? (e.g., "In 3 weeks, check likes and follower growth")
- **Adjustment Thought:** If something isn't working (like low engagement), what's one change you might try? (e.g., "Switch to shorter vids")

Part 3: Peer Feedback and Group Discussions

Let's get input from your crew to make your brand even better!

- **Share Prep:** What part of your brand will you show friends for feedback? (e.g., "My recent Insta posts or bio")

- **Feedback Questions:** Write 1-2 specific questions to ask peers. (e.g., “Does my content feel like me? What can I improve?”)
- **Group Chat Topic:** Pick one branding challenge or idea to discuss with a group. (e.g., “How do you deal with no likes?”) What’s one tip you hope to learn?
- **Feedback to Use:** After getting input (or imagining it for now), what’s one suggestion you’d try? (e.g., “Add more humor to captions”)

Part 4: Reflecting on Your Growth and Future Steps

Look back at your journey and plan what’s next for your brand!

- **Wins to Celebrate:** List 3 things you’re proud of from this course. (e.g., “Made a cool profile, posted regularly, learned privacy tips”)
- **Challenge & Lesson:** What’s one struggle you faced, and what did it teach you? (e.g., “Didn’t post enough; learned to set a schedule”)
- **Brand Rating:** Rate your personal brand now (1-10) compared to when you started. Why this score?
- **Big Takeaway:** What’s one “aha” moment or way this course changed how you see yourself online?
- **Future Goals:** Set 1-2 goals for your brand in the next 6-12 months. (e.g., “Reach 300 followers, learn video editing”)
- **Balance Commitment:** What’s one mental health habit you’ll keep to avoid stress? (e.g., “Limit screen time to 2 hours a day”)

Part 5: Capstone Wrap-Up & Action Pact

Let’s seal your branding journey with a commitment to keep growing!

- **Biggest Highlight:** What’s one thing from this chapter or course you’re most hyped about? (e.g., “Seeing my brand come to life online”)
- **Brand Legacy Pact:** Write a mini-promise for the next 6 months.
 - One Brand Goal I’ll Chase: (e.g., “Post weekly to grow my audience”)
 - One Skill I’ll Learn: (e.g., “Figure out Canva for better graphics”)
 - One Way I’ll Stay Balanced: (e.g., “Take one offline day a week”)

Bonus Challenge (Optional): Take one action from your Brand Legacy Pact and start it within the next week! Whether it’s posting your first planned content, asking a friend for feedback, or setting a screen time limit, make a move. After a few days, jot down how it felt to take that step. Did it boost your confidence or show progress? If you’re up for it, share your first action or result with a friend, classmate, or family member for some extra hype.
