

Chapter 3

MCQs

Question 1

Why is identifying your values, strengths, and passions important when building an online presence?

- ☐ A) It helps you copy popular trends online
- ☐ B) It forms the foundation of your personal brand and guides what you share
- ☐ C) It guarantees you'll get more followers instantly
- ☐ D) It's only necessary for professional platforms like LinkedIn

Correct Answer: B)

It forms the foundation of your personal brand and guides what you share

Question 2

What is an online persona, and how should it relate to who you are?

- ☐ A) It's a completely made-up character you pretend to be online
- ☐ B) It's the version of yourself you show online, and it should be authentic to your real personality
- ☐ C) It's only about looking perfect and professional for everyone to like you
- ☐ D) It's something you change every day based on trends

Correct Answer: B)

It's the version of yourself you show online, and it should be authentic to your real personality

Question 3

How should teens choose the right platforms for self-expression?

- ☐ A) By joining every platform to reach the most people
- ☐ B) By picking platforms that match their goals, persona, and the type of content they want to share
- ☐ C) By only using the most popular platform among their friends
- ☐ D) By avoiding platforms like LinkedIn since they're only for adults

Correct Answer: B)

By picking platforms that match their goals, persona, and the type of content they want to share

Question 4

What does it mean to create consistent and authentic content for your online presence?

- ☐ A) Posting random things every day to stay active
- ☐ B) Sharing content that follows a similar style or theme and reflects your true self, not a fake version
- ☐ C) Only posting polished, perfect photos to impress others
- ☐ D) Copying what popular influencers post to gain followers

Correct Answer: B)

Sharing content that follows a similar style or theme and reflects your true self, not a fake version
