

Chapter 4

Questions to Ask Before Posting:

Question 1

Why are privacy settings important for teens on social media?

- ☐ A) They make your posts look cooler and get more likes
- ☒ B) They control who can see your content and personal info, protecting you from unwanted attention
- ☐ C) They automatically delete old posts to keep your profile clean
- ☐ D) They are only useful for professional platforms like LinkedIn

Correct Answer: B)

They control who can see your content and personal info, protecting you from unwanted attention

Question 2

What is a key reason to think before posting content online?

- ☒ A) Posts can be permanent and impact your future, like college or job opportunities
- ☐ B) Posting quickly gets you more followers instantly
- ☐ C) Only public accounts need to worry about what they share
- ☐ D) Deleted posts are gone forever and can't be seen by anyone

Correct Answer: A)

Posts can be permanent and impact your future, like college or job opportunities

Question 3

What is a recommended step to handle cyberbullying or negative comments on social media?

- ☐ A) Reply angrily to show you're not affected by the comments
- ☐ B) Ignore it completely and hope it goes away on its own
- ☐ C) Save evidence, block/report the user, and talk to a trusted person for support
- ☐ D) Delete your account to avoid any further issues

Correct Answer: C)

Save evidence, block/report the user, and talk to a trusted person for support

Question 4

How can teens protect themselves from online scams and predators?

- ☐ A) Share personal info only with people who seem nice online
- ☐ B) Keep personal info private, verify strangers, and trust their gut if something feels off
- ☐ C) Accept all friend requests to build a bigger online network
- ☐ D) Click on links promising free prizes to test if they're real

Correct Answer: B)

Keep personal info private, verify strangers, and trust their gut if something feels off
