

Chapter 5

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet: Content Creation for Personal Branding (Chapter 5)

This worksheet is designed to help you apply the concepts from Chapter 5: Content Creation for Personal Branding. Complete the activities below to practice creating engaging content, refining your visuals, writing captions and bios, and using hashtags and trends to boost your online presence. Have fun and let your personality shine!

Part 1: Brainstorm Engaging Content

Think about a moment or interest from your life that you could share on social media. Plan a piece of content (post, story, or video) using the prompts below.

- **What I'll Share** (Describe a moment, hobby, or idea, e.g., "A funny moment at lunch"):
- **Format I'll Use** (Post, Story, or Video):
- **How I'll Hook My Audience** (First impression or line to grab attention):
- **How I'll Add Personality** (Humor, tone, or unique style):
- **Call to Action** (Question or poll to encourage interaction):

Part 2: Audit and Upgrade Your Visuals

Take a look at your current social media profile (or imagine one if you don't have an account). Answer the questions to evaluate and plan improvements for your visuals.

- **My Current Profile Picture** (Describe it. Is it clear and personal? Yes/No):
- **My Current Banner/Header** (If you have one, describe it. Does it match your vibe? Yes/No):
- **My Overall Aesthetic** (Colors, themes, or consistency. Does it look cohesive? Yes/No):
- **One Visual Upgrade I'll Make** (e.g., new profile pic, consistent filter, or banner idea):

Part 3: Write Captions and a Bio

Practice writing for your social media presence. Imagine a post or use a real one, then craft a caption and bio that reflect your personality.

- **My Imaginary/Real Post** (Describe the content, e.g., "Pic of me with friends"):
- **My Caption** (Short, matches the mood, includes a hook for engagement):
- **My Bio** (Who you are + your vibe + optional call to action, keep it short):

Part 4: Plan Hashtags and Trends

Boost your visibility by planning hashtags and trends for a post or video idea. Research what's popular on your

favorite app if possible, or brainstorm based on your interests.

- **My Post/Video Idea** (Describe it, e.g., "A dance video"):
- **3 Niche Hashtags** (Specific to your content, e.g., #TeenDancer):
- **3 Popular Hashtags** (Big reach but relevant, e.g., #DanceChallenge):
- **1 Current Trend to Join** (Sound, challenge, or seasonal theme):
- **How I'll Add My Unique Twist to the Trend:**

Part 5: Reflection and Action Step

Think about what you've learned from this chapter and commit to one small action to improve your personal brand online.

- **My Favorite Takeaway from Chapter 5** (One tip or idea that excited you and why):
- **My Action Step This Week** (One thing you'll do, like post a story or update your bio, and when):

Bonus Challenge (Optional): Try one of your ideas from this worksheet in real life! Post something using your planned content, caption, or hashtags, or update your profile with a new visual or bio. Share the result with a friend or classmate and ask, "Does this feel like me?"
