

Chapter 8

MCQs

Question 1

What is a key step in identifying fake news or misinformation online?

- ☐ A) Believing every viral post because it has a lot of likes.
 - ☐ B) Checking the source of the information to see if it's from a trusted or verified outlet.
 - ☐ C) Sharing the post immediately to warn others without verifying it.
 - ☐ D) Only reading the headline without looking at the full story.
- Correct Answer: B

Note: No correct answer specified for this question

Question 2

Why is fact-checking important before sharing content on social media?

- ☐ A) It helps you get more followers by posting quickly.
 - ☐ B) It prevents spreading false information and protects your online reputation.
 - ☐ C) It ensures you always agree with everyone in your group chat.
 - ☐ D) It's unnecessary since most online content is true.
- Correct Answer: B

Note: No correct answer specified for this question

Question 3

How do algorithms shape your online experience as a teen?

- ☐ A) They randomly show content with no connection to your activity.
 - ☒ B) They track your likes, searches, and views to customize your feed and keep you engaged.
 - ☐ C) They prevent you from seeing ads or targeted content.
 - ☐ D) They only show content from people you follow.
- Correct Answer: B

Note: No correct answer specified for this question

Question 4

What is an ethical way to use technology and respect others' privacy online?

- ☐ A) Post group photos or videos without asking anyone in them for permission.
 - ☐ B) Share personal information like addresses or schedules to seem friendly.
 - ☒ C) Ask for consent before posting content involving others and protect your own privacy with strong settings.
 - ☐ D) Use someone else's account or content without giving credit.
- Correct Answer: C
