

Chapter 10

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 10: Overcoming Common Challenges in Public Speaking

Title: "Speech Challenge Slayer: Conquer Every Hurdle!"

This quick sheet helps you tackle the toughest public speaking obstacles with fun activities on dealing with anxiety, managing mistakes, handling difficult audiences, and building resilience. Think of this as a mini-quest—each section is a “battle” to complete, earning you “challenge points.” Grab a pen or your phone, and let’s turn every hurdle into a victory! Aim for at least 40 points to become a “Challenge Champion”!

Battle 1: Dealing with Anxiety (10 Points)

Mission: Calm those nerves! Managing anxiety keeps you focused. Try this challenge.

- **Nerve Neutralizer (10 points):** Before a small convo or pretend speech (e.g., “Why movies rock”), do a 30-second calm routine—deep breathe (inhale 4, hold 4, exhale 4), grip an object to ground yourself, and say a mantra (“I’ve got this”). Note how you feel after.
 - Routine done: _____
 - Felt before: _____
 - Felt after: _____
 - Did nerves drop? (Yes/No and why) _____
 - (Completed = 10 points)

Battle 1 Score: ____/10

Battle 2: Managing Mistakes (10 Points)

Mission: Recover like a pro! Handling slip-ups keeps your talk on track. Test it out.

- **Flub Fixer (10 points):** With a friend or solo, give a 1-minute mini-talk (e.g., “Why snacks rule”). Mid-way, fake a mistake (forget a line or stutter), pause, breathe, use a recovery line (“Let me clarify”), and continue. Note if you stayed calm.
 - My recovery line: _____
 - Did I keep flow? (Yes/No and why) _____
 - (Completed = 10 points)

Battle 2 Score: ____/10

Battle 3: Handling Difficult Audiences (10 Points)

Mission: Control the crowd! Tough audiences won’t shake you. Try this activity.

- **Crowd Commander (10 points):** With a buddy or pretend, give a 1-minute talk snippet (e.g., “Why school events matter”). Have them “heckle” or interrupt. Stay calm, say “Thanks, let’s chat after,” or re-engage with a hook (“Imagine this!”). Note if you kept control.
 - My response: _____
 - Did I stay steady? (Yes/No and why) _____
 - (Completed = 10 points)

Battle 3 Score: ____/10

Battle 4: Building Resilience (10 Points)

Mission: Bounce back stronger! Turn setbacks into growth. Work on it here.

- **Setback Smasher (10 points):** After a real or pretend “bad” talk (e.g., class moment), list 1 lesson to improve and 1 small win (even tiny). Set 1 mini-goal for next time (e.g., “speak slower”). Note if this motivated you.
 - Lesson: _____
 - Win: _____
 - Next goal: _____
 - Did I feel ready to retry? (Yes/No and why) _____
 - (Completed = 10 points)

Battle 4 Score: ____/10

Bonus Battle: Quick Reflection (5 Bonus Points)

Mission: Think about your challenge skills! Wrap up by reflecting on what you’ve tried.

- **Reflection (5 bonus points):** What’s one challenge-busting skill from this worksheet you want to use more (e.g., calming nerves, recovering from mistakes)?
 - Write it here: _____
 - (Completed = 5 bonus points)

Bonus Battle Score: ____/5

Final Score & Reward

Total Challenge Points: ____/45 (Add up all battles, including bonus!)

- **40-45 Points: Challenge Champion!** Epic work—reward yourself with a fave song or snack!
- **30-39 Points: Hurdle Hero!** Great job—try one more battle to hit Champion level!
- **Below 30 Points: Obstacle Rookie!** Good start—redo a battle or try with a friend to boost your score!

Quick Thought: Write one thing you learned about overcoming public speaking challenges:

Fun Wrap-Up: Share your fave battle (like “Nerve Neutralizer”) with a friend or family member and do it together for a laugh. Note how it went to remember this challenge-slaying boost!
