Worksheet for Chapter 14: Building a Personal Communication Style

Title: "Signature Speaker: Craft Your Unique Voice!"

This quick sheet helps you build your personal communication style with fun activities on discovering your unique voice, balancing authenticity and adaptation, shaping vocal identity, and committing to continuous growth. Think of this as a mini-studio session—each section is a “track” to record, earning you “style points.” Grab a pen or your phone, and let’s make your voice a hit! Aim for at least 40 points to become a “Voice Virtuoso”!

Track 1: Discovering Your Unique Voice (10 Points)

Mission: Uncover what makes your communication style special! Identifying your strengths creates authenticity. Try this challenge.

- **Voice Finder (10 points):** List 3 communication strengths or quirks (e.g., “I’m funny,” “I explain well”). Pick one, deliver a 30-second talk snippet (e.g., “Why hobbies rock”) using it big-time. Note if it felt like “you.”
 - Strength 1: _____
 - Strength 2: _____
 - Strength 3: _____
 - Did it feel authentic? (Yes/No and why) _____
 - (Completed = 10 points)

Track 1 Score: ____/10

Track 2: Balancing Authenticity and Adaptation (10 Points)

Mission: Stay true to yourself while fitting the vibe! Adjusting without losing “you” builds versatility. Test it out.

- **Balance Blender (10 points):** Pick a core trait (e.g., “I’m upbeat”). Plan a 1-minute talk snippet (e.g., “Why school spirit matters”) for 2 settings (e.g., teacher meeting, friend group). Tweak one element (tone, pace) per setting but keep your core. Note if balance worked.

Mission: Shape a distinct, memorable sound! Experimenting with tone and energy sets you apart. Try this activity.

- **Sound Sculptor (10 points):** Record a 30-second talk bit (e.g., “Why trying new things helps”) on your phone. Test 2 vocal styles (e.g., warm tone, bold pitch). Pick a signature quirk (e.g., dramatic pause). Note if a style felt uniquely “you.”

Mission: Keep evolving your communication skills! Setting goals and practicing ensures progress. Work on it here.

- **Growth Gamer (10 points):** Set a 2-week mini-goal (e.g., “cut ‘um’s in talks”). Plan 2 quick practices (e.g., 5-minute mirror talk), ask 1 person for feedback, note a new setting to try (e.g., club pitch). Note if planning felt motivating.
 - Mini-goal: _____
 - Practice plan: _____
 - Feedback source: _____
 - New setting idea: _____
 - Did planning push me? (Yes/No and why) _____
 - (Completed = 10 points)
