- ☐ A) It eliminates all physical symptoms of nervousness instantly
 - ☐ B) It helps replace negative thoughts with encouraging ones to reduce stress
 - ☐ C) It guarantees a perfect speech every time
 - ☐ D) It prevents the need for any practice before speaking
- Correct Answer: B. It helps replace negative thoughts with encouraging ones to reduce stress

Note: No correct answer specified for this question

Question 3

How does the chapter suggest posture can impact a speaker's confidence?

- ☐ A) Slouching makes a speaker appear more relatable to the audience
 - ☐ B) Standing tall with shoulders back projects control and can make a speaker feel stronger
 - ☐ C) Posture has no effect on how a speaker is perceived by others
 - ☐ D) Only professional speakers need to worry about posture
- Correct Answer: B. Standing tall with shoulders back projects control and can make a speaker feel stronger

Note: No correct answer specified for this question

Question 4

What is one purpose of recording oneself as a practice strategy, according to the chapter?

- ☐ A) To share videos on social media for popularity
 - ☐ B) To spot habits like saying "um" or looking down and track improvement over time
 - ☐ C) To avoid practicing in front of others completely
 - ☐ D) To memorize speeches without needing to understand them
- Correct Answer: B. To spot habits like saying "um" or looking down and track improvement over time

Note: No correct answer specified for this question

Question 5

Why does the chapter emphasize the importance of eye contact in body language?

- ☐ A) It distracts the audience from noticing mistakes in the speech
 - ☐ B) It shows engagement and builds trust with listeners
 - ☐ C) It is only necessary for large audiences, not small groups
 - ☐ D) It makes the speaker appear less nervous without any effort
- Correct Answer: B. It shows engagement and builds trust with listeners

Note: No correct answer specified for this question

Question 6

What is the main goal of reframing failure as growth, as discussed in the chapter?

- ☐ A) To ignore mistakes and pretend they didn't happen
 - ☐ B) To view mistakes as lessons that help improve future performances
 - ☐ C) To blame others for any errors during a speech
 - ☐ D) To avoid taking risks in public speaking altogether
- Correct Answer: B. To view mistakes as lessons that help improve future performances

Note: No correct answer specified for this question
