Worksheet for Chapter 5: Structuring a Speech or Presentation

Title: "Speech Blueprint: Build Your Epic Talk!"

This quick sheet helps you master structuring a speech with fun activities on crafting intros, building the body, and nailing conclusions. Think of this as a mini-build—each section is a “step” to complete, earning you “speech points.” Grab a pen or your phone, and let’s construct your skills! Aim for at least 40 points to become a “Speech Architect”!

Step 1: The Importance of Structure (10 Points)

Mission: Understand why a clear flow matters! Structure keeps your audience on track. Try this quick challenge.

- **Flow Plan (10 points):** Pick a simple topic (e.g., “Why school breaks are awesome”). Write 1 sentence for what you’d say in the intro, body, and conclusion. Note why order helps.
 - Intro: _____
 - Body: _____
 - Conclusion: _____
 - Why does structure help? _____
 - (Completed = 10 points)

Step 1 Score: ____/10

Step 2: Crafting a Strong Introduction (10 Points)

Mission: Hook your audience from the start! Intros grab attention. Test it out.

- **Hook Craft (10 points):** For your topic, write a 1-2 sentence intro with a hook (story, question, or stat). Say it aloud to a mirror or friend. Note if it feels catchy.
 - My hook: _____
 - Did it feel attention-grabbing? (Yes/No and why) _____
 - (Completed = 10 points)

Step 2 Score: ____/10

Step 3: Developing the Body (10 Points)

Mission: Build your main ideas with support! The body is the heart of your talk. Try this activity.

- **Point Power (10 points):** List 2 main points for your topic and 1 fact or example for each. Say them aloud with a transition like “Next.” Note if it flows.

- Point 1: _____ + Support: _____
- Point 2: _____ + Support: _____
- Did it flow logically? (Yes/No and why) _____
- (Completed = 10 points)

Step 3 Score: ____/10

Step 4: Creating a Memorable Conclusion (10 Points)

Mission: End with a lasting impact! Conclusions seal the deal. Work on it here.

- **Epic End (10 points):** Write a 1-2 sentence conclusion for your topic, summarizing a point and adding a takeaway (e.g., call-to-action). Say it with energy to a mirror or friend. Note the vibe.
 - My conclusion: _____
 - Did it feel powerful? (Yes/No and why) _____
 - (Completed = 10 points)

Step 4 Score: ____/10

Bonus Step: Quick Reflection (5 Bonus Points)

Mission: Think about your speech-building growth! Wrap up by reflecting on what you've tried.

- **Reflection (5 bonus points):** What's one structuring skill from this worksheet you want to use more (e.g., better hooks, strong endings)?
 - Write it here: _____
 - (Completed = 5 bonus points)

Bonus Step Score: ____/5

Final Score & Reward

Total Speech Points: ____/45 (Add up all steps, including bonus!)

- **40-45 Points: Speech Architect!** Awesome work—treat yourself to a fave song or snack!
- **30-39 Points: Talk Designer!** Great job—try one more step to hit Architect level!
- **Below 30 Points: Idea Builder!** Nice start—redo a step or try with a friend to boost your score!

Quick Thought: Write one thing you learned about structuring a speech:

Fun Wrap-Up: Share your fave step (like "Hook Craft") with a friend or family member and do it together for a laugh. Note how it went to remember this speech-building boost!
