Worksheet for Chapter 5: Introduction to Academic Integrity

Activity 1: Understanding Academic Integrity

Objective: To reflect on the meaning and importance of academic integrity in your schoolwork. **Instructions:** Think about a recent assignment or project, such as an essay on “Indian Freedom Struggle” or a presentation on “Tech Trends under ₹10,000 (approx. \$120).” Spend 10 minutes answering the questions below to explore how academic integrity applies to your life as a student.

- Project/Assignment Chosen: _____
- How did (or could) you show academic integrity in this task? (e.g., doing your own research, citing sources):
- Why do you think academic integrity matters for your learning or reputation? (2 sentences):

Reflection: How does being honest in your work make you feel about your achievements? (1-2 sentences)

Activity 2: Plagiarism Awareness Challenge

Objective: To identify plagiarism and practice avoiding it through proper citation. **Instructions:** Imagine you’re writing a short paragraph for a report on “Best Street Foods in India under ₹100 (approx. \$1.20).” Find (or pretend to find) a source online, like a blog or video. Write 2 sentences summarizing a key point in your own words, then add a simple citation (e.g., “Source: FoodieIndia.com”). Spend 15 minutes on this. Then, answer the reflection question.

- Topic Chosen: _____
- Summary in Your Own Words (2 sentences):
-
-
- Citation: _____

Reflection: How does giving credit to the source help you avoid plagiarism, and why is this important for your grades or trust with teachers? (2 sentences)

Activity 3: Ethical Use of Information Role-Play

Objective: To practice using information ethically by crediting sources and adding your own ideas. **Instructions:** Pick a topic you’re interested in, like “Top Gaming Apps under ₹500 (approx. \$6)” or “Air Pollution Solutions in India.” Find (or imagine) a source, such as a YouTube video or article. Write a short 3-sentence blurb for a school project or social media post: 1 sentence summarizing the source’s idea, 1 sentence with your unique take or addition, and 1 sentence crediting the source (e.g., “Inspired by GamerZone.com”). Spend 15 minutes on this.

- Topic Chosen: _____

- **Blurb (3 sentences):**
- (Summary of Source) _____
- (Your Unique Take) _____
- (Credit to Source) _____

Reflection: Why does adding your own ideas alongside crediting the source make your work more ethical and original? (1-2 sentences)

Activity 4: Honesty in Collaboration Plan

Objective: To develop strategies for maintaining honesty in solo work and group collaboration. **Instructions:** Think of a recent or upcoming group project, like a science model worth ₹1,000 (approx. \$12) or a history debate on “Impact of British Rule.” If you haven’t done one, imagine a project on “Indian Festivals under ₹5,000 (approx. \$60) Budget.” Plan how you can show honesty by listing 3 specific ways you’ll contribute fairly or be truthful in a solo task. Then, try discussing roles with a teammate (or imagine doing so). Spend 15-20 minutes total.

- **Project Chosen:** _____
- **3 Ways to Show Honesty (e.g., “I’ll research 2 sources myself,” “I’ll admit if I’m late on my part”):**
- _____
- _____
- _____

Collaboration Plan (or Imagined Discussion): What role will you take, and how will you ensure everyone contributes fairly? (2 sentences)

Reflection: How does being honest in group or solo work build trust with others, and how can it help your team succeed? (2 sentences)

Reflection Corner: After completing this worksheet, write a short note (3-4 sentences) on what you learned about academic integrity from these activities. Which concept—understanding integrity, avoiding plagiarism, ethical use of information, or honesty in collaboration—do you think will help you most in school or personal projects, and why?
