Worksheet for Chapter 8: Putting It All Together – Practical Application

Instructions: Complete the following sections to apply what you’ve learned in Chapter 8. Take about 15-20 minutes to think through and write your responses. Be honest and creative—this is your space to grow!

Part 1: Role-Playing Scenarios (5 minutes)

Task: Think of a real-life situation in high school where you’d need to advocate for yourself (e.g., asking a teacher for help or addressing a peer conflict). Briefly outline how you’d approach it using skills from role-playing.

- **Situation:** (What’s the scenario?)
- **Approach:** (What would you say or do? Use an “I” statement if possible.)
- **Feedback Goal:** (What’s one thing you’d want feedback on after practicing this?)

Part 2: Personal Action Plan Snapshot (5 minutes)

Task: Create a mini-version of a Personal Action Plan by setting one short-term goal (1-3 months) related to confidence or self-advocacy. Break it into two small steps.

- **Short-Term Goal:** (e.g., “Speak up in class at least once a week.”)
- **Step 1:** (First action to take.)
- **Step 2:** (Next action to build on Step 1.)
- **Growth Area:** (What skill or area does this goal help you improve?)

Part 3: Reflecting on Progress (5 minutes)

Task: Reflect on a small win or change you’ve noticed in yourself recently related to confidence or self-advocacy. Then, think about sharing it.

- **My Win/Change:** (What did you do or improve? How did it feel?)
- **Who I’ll Share With:** (Name one person or group to tell this story to for inspiration.)
- **Why Share?** (How might telling this story help you or others?)

Quick Self-Check: How Confident Do You Feel?

Circle one: (1 = Not confident yet, 5 = Super confident) After completing this worksheet, how ready do you feel to apply self-advocacy skills in real life? 1 2 3 4 5 **One Thing I’ll Do Next:** (Write one action you’ll take this week based on this worksheet.)
