

Chapter 1

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet for Chapter 1: Introduction to Sustainability

Title: Become a Sustainability Superhero! Instructions: Complete the following activities in the space provided. These tasks are designed to be quick, creative, and team-oriented where possible. Have fun while learning how to save the planet!

Part 1: Match and Map – Sustainability Basics

- **Match the Pillar to the Action:** Connect each pillar of sustainability to the best teen-friendly action. Write the letter of the action next to the correct pillar.
 - Environmental Sustainability: ____
 - Social Sustainability: ____
 - Economic Sustainability: ____ Actions: A. Joining a community cleanup to pick up trash at a local park B. Supporting a classmate's fundraiser for families in need C. Buying a cool t-shirt from a brand that uses solar power for production
- **Quick Sort – Sustainable or Not?** Label each action as "Sustainable" (S) or "Not Sustainable" (NS) by writing S or NS next to it.
 - Using a single-use plastic straw every day: ____
 - Biking to school instead of getting a car ride: ____
 - Throwing away half-eaten food regularly: ____
 - Using a reusable shopping bag at the store: ____

Part 2: Global Challenge Spotlight – Pick and Plot

- **Choose Your Battle:** Circle one global environmental challenge from the chapter that you'd like to fight:
 - Climate Change
 - Deforestation
 - Pollution
- **Plot Your Attack (Quick List):** List three quick actions teens like you could take to tackle the challenge you picked. Keep it simple and doable!
 - Action 1: _____
 - Action 2: _____
 - Action 3: _____

Part 3: Creative Action – Design Your Superhero Mission! Imagine you're a "Sustainability Superhero" with the

power to tackle one environmental issue from the chapter. Fill out your hero profile below:

- **Superhero Name:** (e.g., "Eco Avenger") _____
- **Issue You're Fighting:** (e.g., Plastic Pollution) _____
- **Your Superpower:** (e.g., Ability to zap trash into treasure) _____
- **Your First Mission Gadget:** Draw or describe a cool tool or gadget you'd invent to fight this issue (e.g., a "Trash-Eater Drone" for oceans). Keep it under 2 sentences!

Part 4: Team Up for a Mini-Challenge – Sustainability Squad! Eco-Mission Game (Class or Group Activity):

Pair up with a friend or small group for this quick brainstorming game. Imagine your squad is tasked with making your school more sustainable in ONE WEEK. Pick ONE area to focus on from the list below and brainstorm 3 fast ideas to make it eco-friendly. Takes 5-10 minutes!

- **Focus Area (Circle One):** Cafeteria / Classrooms / School Grounds
- **Idea 1:** _____
- **Idea 2:** _____
- **Idea 3:** _____ **Fun Bonus:** Give your squad a cool "Eco-Team Name" (e.g., "Green Guardians"): _____

Part 5: Personal Action Pledge – One Step Forward! Pick one small, doable action you'll take this week to be more sustainable. Fill out the pledge below:

- **My Action Pledge:** (e.g., I'll turn off lights when leaving a room) _____
- **How I'll Track It:** (e.g., I'll put a sticky note on my door as a reminder) _____
- **Who I'll Challenge:** (e.g., I'll ask my sibling to do it with me) _____

Super Fun Twist – Sustainability Meme Challenge (Optional): Create a quick sustainability meme or slogan that could go viral among teens. Example: "Plastic? Nah, I'm Fantastic with Reusables!" Write or sketch yours below, and if you want, share it with your class or on social media with #TeenEcoWarrior!

- **My Meme/Slogan:** _____
- **Quick Sketch Idea (if applicable):** (Draw a small doodle if you'd like!)
