

Chapter 6

Worksheet

Instructions:

Please complete all activities in this worksheet. Write your answers in the spaces provided or on separate sheets if needed.

Worksheet: Chapter 6 - Community and Global Impact

Instructions: Read each question carefully and answer in the space provided. For activity-based tasks, write your responses clearly and include drawings or symbols where requested. Have fun exploring how you can make a difference locally and globally!

Section 1: Building Sustainable Communities

- **Short Answer Question** Name one local sustainability project idea mentioned in the chapter (e.g., community gardens, recycling programs) and explain how you could get your friends or family involved in starting it. **Answer:**
- **Activity Challenge** Pick a local issue in your neighbourhood (like littering or lack of green spaces) and brainstorm a small project to address it. Write down a catchy name for your project and list 3 steps to get started.
 - Project Name: _____
 - Step 1: _____
 - Step 2: _____
 - Step 3: _____

Section 2: Global Citizenship and Sustainability

- **Quick Think Question** Describe one daily action you take (like using a reusable water bottle) and explain how it can help someone on the other side of the planet. **Answer:**
- **Task 1: Connect Local to Global! What to Do:** Choose one small action you can do in your community (e.g., reducing plastic use or planting trees). Write how it connects to a global environmental issue (like ocean pollution or climate change) and link it to a UN Sustainable Development Goal (SDG) from Chapter 6. Add a small symbol or drawing for your action.
 - My Local Action: _____ (What will you do?)
 - Global Issue It Helps: _____ (How does it connect?)
 - Related SDG: _____ (e.g., SDG 13: Climate Action)
 - Draw a Symbol: [Sketch a quick image, like a plastic-free ocean or a tree for climate action.]

Section 3: Taking Action - Projects and Campaigns

- **Short Answer Question** List the 5 steps mentioned in the chapter for designing and executing a sustainability project. Briefly explain what you would do in the first step if you were addressing paper waste in your school. **Answer:**

- Step 1: _____

(Explanation: _____)

- Step 2: _____

- Step 3: _____

- Step 4: _____

- Step 5: _____

- **Task 2: Plan Your Sustainability Project! What to Do:** Imagine starting a sustainability project in your school or locality (inspired by Chapter 6). Plan the basics—pick a problem, set a goal, and list steps to make it happen. Add a quick drawing of your team in action!

- Problem I Want to Fix: _____ (e.g., too much trash in school)

- My Project Goal: _____ (e.g., reduce trash by 50%)

- 3 Steps to Start:

-

-

-

- Project Name: _____ (Make it cool!)

- Sketch Your Team in Action: [Draw a quick image of you and friends working on this, like picking up trash or planting.]

- **Task 3: Become a Global Eco-Citizen! What to Do:** Turn yourself into a global eco-citizen ambassador! Pick a worldwide environmental issue from Chapter 6 (like deforestation or ocean pollution) and create a badge for yourself as a supporter. Write your ambassador title and a 1-sentence mission statement. Draw your badge with a symbol for the issue.

- Ambassador Title: _____ (e.g., "Ocean Protector")

- My Mission: _____ (Example: "I'll reduce plastic to save marine life worldwide!")

- Draw Your Badge: [Sketch a badge with a symbol, like a wave for oceans or a tree for forests.]

- **Task 4: Share Your Impact Story! What to Do:** Imagine your sustainability project from Task 2 is done and successful. Write a short social media post (2-3 sentences) to share your impact with the world. Include a fun fact or stat (like “We collected 10 bags of trash!”) and a hashtag to inspire others. Add a quick doodle of your result.
 - My Impact Post:
 - Hashtag: # _____
 - Draw Your Result: [Sketch a quick “after” scene, like a clean park or full recycling bin.]

Wrap-Up: Reflection

- **Personal Reflection** After reading this chapter, what is one small action you feel inspired to take in your community to promote sustainability? Why did you choose this action? **Answer:**

Bonus Fun Task (Optional): Create a slogan or hashtag for a sustainability campaign you’d like to start based on what you learned in this chapter. Write it below and share it with a friend or classmate to spread the word!
Slogan/Hashtag: _____
