Question 2

Which of the following is an example of how distractions contribute to procrastination?

- ☐ A) Setting clear goals for a study session.
- ☐ B) Breaking tasks into smaller, manageable steps.
- ☐ C) Spending time on social media instead of studying.
- ☐ D) Creating a daily routine for homework. Correct Answer: C. Spending time on social media instead of studying.

Note: No correct answer specified for this question

Question 3

What is the main idea behind the “2-Minute Rule” as a strategy to overcome procrastination?

- A) Work on a task for 2 hours without stopping.
- B) Commit to starting a task for just 2 minutes to overcome initial resistance.
- C) Take a 2-minute break after every hour of work.
- D) Spend 2 minutes planning every task before starting. Correct Answer: B. Commit to starting a task for just 2 minutes to overcome initial resistance.

Note: No correct answer specified for this question

Question 4

How can “eating the frog” help combat procrastination?

- A) By taking frequent breaks to avoid stress.
- B) By tackling the easiest tasks first to build confidence.
- C) By starting with the hardest or least appealing task when energy is highest.
- D) By delaying difficult tasks until the deadline approaches. Correct Answer: C. By starting with the hardest or least appealing task when energy is highest.

Note: No correct answer specified for this question

Question 5

What is a key step in building self-discipline through consistency?

- ☐ A) Starting with large, complex habits to challenge yourself.
 - ☐ B) Beginning with small, manageable habits and repeating them daily.
 - ☐ C) Changing routines frequently to keep things interesting.
 - ☐ D) Avoiding tracking progress to reduce pressure.
- Correct Answer: B. Beginning with small, manageable habits and repeating them daily.

Note: No correct answer specified for this question

Question 6

Why is practicing delayed gratification important for self-discipline?

- ☐ A) It encourages immediate rewards to stay motivated.
 - ☐ B) It helps you choose long-term benefits over short-term pleasures.
 - ☐ C) It allows you to avoid setting goals altogether.
 - ☐ D) It focuses on taking breaks whenever you feel tired.
- Correct Answer: B. It helps you choose long-term benefits over short-term pleasures.
