

Chapter 1

Quiz Questions

Question 1

What is the main difference between a dream and a goal?

- ☐ A) A dream is specific, while a goal is vague.
- ☒ B) A dream is a broad idea or wish, while a goal is a specific, actionable target with a timeframe.
- ☐ C) A dream is something you can achieve quickly, while a goal takes years.
- ☐ D) A dream is always unrealistic, while a goal is always practical.

Correct Answer: B)

A dream is a broad idea or wish, while a goal is a specific, actionable target with a timeframe.

Question 2

Why is goal setting especially important during your teen years?

- ☐ A) It helps you avoid doing homework and focus on fun activities.
- ☒ B) It prepares you for adulthood, builds confidence, and reduces stress by giving direction.
- ☐ C) It guarantees you will become successful overnight.
- ☐ D) It stops you from having any challenges or failures.

Correct Answer: B)

It prepares you for adulthood, builds confidence, and reduces stress by giving direction.
