SMART Goals 2.0: Ultimate Goal-Setter's Quest Worksheet

Hey, Goal-Setters! This worksheet is your map to turn dreams into epic wins. Think of yourself as a hero in a video game—each activity is a level to unlock your goal-setting superpowers. Grab a pen, some colourful markers, and let's make your goals POP! By the end, you'll have a custom SMART plan to crush it in school, hobbies, or life. Let's roll!

Level 1: SMART Goals 2.0 Bootcamp (Section 1)

Mission: Learn the five power-ups of SMART Goals 2.0 and gear up to build your own. *Reminder:* SMART stands for Specific, Measurable, Achievable, Relevant, and Time-Bound. Each one's a key to making goals that stick!

Activity 1.1: SMART Power-Up Match (5 Minutes) Match each SMART element to its superpower. Draw a line from the left to the right!

- Specific _____ A) Adds a deadline to push you into action.
- Measurable _____ B) Connects your goal to your personal "why."
- Achievable _____ C) Makes your goal clear with exact details.
- Relevant _____ D) Sets a realistic target you can actually hit.
- Time-Bound _____ E) Tracks progress with numbers or milestones.

Activity 1.2: Mini-Challenge for Each Power-Up (20 Minutes Total) Complete a quick task for each SMART part to flex your skills. Use a goal idea (like "improve grades" or "learn a sport") or pick your own dream! Write short answers.

- **Specific (Clarity Wins):** Turn "I want to be better at art" into a detailed plan. Answer the 5 W's (Who, What, Where, When, Why). Example: "I'll sketch portraits at home for 30 mins on Saturdays because I love drawing."
 - My Specific Goal: _____
- **Measurable (Numbers Don't Lie):** Add a number to track progress on your goal (how many, how often, how much?). Example: "Sketch 2 portraits a week."
 - My Measurable Goal: _____
- **Achievable (Stretch but Don't Snap):** Is your goal doable right now? If it's too big, scale it back. Example: "Instead of 2 hours daily, I'll do 30 mins twice a week."
 - My Achievable Adjustment: _____
- **Relevant (Connected to Your 'Why'):** Why does this goal matter to YOU? Dig deep! Example: "I want to be an artist, so sketching builds my skills."
 - My 'Why': _____

- **Time-Bound (Deadlines Drive Action):** Add a deadline or end date. Example: "I'll do this until the school art show on May 1st."

- My Deadline: _____

Fun Twist: Power-Up Badge! Draw a quick "badge" (a small symbol or sticker) for one SMART element you nailed. Example: A star for Specific. Put it next to your favorite answer above!

Level 2: Wish to Win Transformation (Section 2)

Mission: Turn a vague wish into a concrete SMART plan—like upgrading from a blurry pic to a 4K masterpiece!

Activity 2.1: Wish-to-Plan Glow-Up (15 Minutes) Pick a vague wish (like "I wanna be popular" or "I wanna get fit"). Write it below, then transform it into a full SMART goal using all 5 elements.
